## **SAFETY ON WALKS**

**(Please read the following important information)**

**PACE** Please keep to the pace set by the leader who will be guided by the slower members of the party. Lagging behind is as big a problem as forcing the pace by charging ahead of the leader. Don't forget the leader is trying to please **ALL** members of the party.

Do not lose contact with the leader. If you do become separated please stay where you last saw members of the party; they will find you.

**RESPONSIBILITIES** Walkers should inform the leader of any medical problem which could affect their walk (and any emergency treatment which may be needed). If you feel unwell, get word to the leader at once. Do not leave the group without informing the leader or backmarker. Leaders are not responsible for anyone doing so.

**RESTRICTIONS** Leaders have the right to refuse anyone as a member of their party who, in their opinion, may be at risk for reasons of inadequate clothing, lack of physical fitness etc.

**CLOTHING and FOOD** Boots are recommended for all walks and are essential for walking in the hills. Stout shoes may be suitable in a dry summer but farm yards and field paths can be messy places at any time. Walkers should always bring sufficient clothing for all weather conditions that may be encountered, as well as spare warm clothing. Remember conditions could easily change for the worse. A drink and an energy giving snack are all sensible extras to carry, even if you are taking your lunch for an all day walk.

**INJURIES/LOSS OF PROPERTY** The Ramblers Association do not accept any responsibility for personal injury or loss of property when attending any of our rambles or functions. If it is thought necessary, individuals should make their own insurance arrangements. Any illness or accident which occurs on a walk, which requires medical attention or use of the emergency services must be reported to the Area Secretary.

“All sporting and leisure activities have inherent hazards associated with them and rambling is no exception. In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is important, therefore, that when entering the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity and take all reasonable steps to eliminate or minimise the potential for an accident to arise”.(RA circular 03/53)

**ROAD SAFETY** “If you use a country road with no pavement or verge, the party should walk **in single file, on the right hand side of the road**”, unless it is unsafe to do so, e.g. approaching a blind bend. “Discourage people from walking two abreast in order to chat.” (RA *Navigation & Leadership Manual 1994 pp 70-71*)

**DOGS** Must be kept under your strict control at all times and **must** be on a **maximum 2 metre lead**, so that they are not a danger to other walkers, particularly around stiles and to farm livestock. No more than one dog per walker. Remember your dog is your responsibility at all times. Leaders have discretion to refuse.

## **COACH WALKS**

**Full details of the coach venues are listed on the following pages and shown chronologically in the programme.**

All coach rambles are intended primarily for members. It is essential to wear boots and carry wind and waterproof outer clothing and a spare pullover or fleece. Do not wear tight fitting clothing that could cling to the skin when wet. Food and drink for lunch should be carried and also an emergency snack. Extra food and a change of clothing can be left on the coach.

### **SUNDAY COACHES**

These are arranged by local groups on alternate Sundays. Booking must be made in advance and a deposit paid. Please ensure you know the time and place you will be joining the coach. Deposits can only be carried over to future coach rambles if you cancel by the Tuesday preceding the Sunday of the ramble; otherwise it is forfeited.

There is usually a choice of four rambles from the coaches which are graded "A" to "D". Do not join the "A" walks unless you are well prepared and used to long walks.

Members wishing to travel with particular friends from outside their group are welcome on any of the three Group Coaches, but booking should be made early and directly with the respective Booking Secretary.

## LOCAL WALKS

These are for members and the general public. No prior notice or booking is necessary, unless otherwise stated; just turn up at the venue.

**HALF DAY WALKS** are graded by the walk leader and will last about 2½hrs.

Easy Access		Walks for everyone incl. wheelchairs, pushchairs, using easy access paths with the option to shorten the walk if required
Easy	0 - 500ft asc.	Suitable for all but could include field paths and stiles. Max. 5 miles.

**FULL DAY WALKS** have a 'Grade', 'Distance' and notice to 'Bring Lunch' in the description. They are graded by the walk leader as:-

Leisurely	0 - 1500ft asc.	Some walking experience required, gently paced, easy gradients
Moderate	500 - 1500ft asc.	A reasonable degree of fitness and experience required
Hard	1500 - 2500ft asc.	Suitable for strong regular day walkers only
Strenuous	2500ft + asc.	Could involve steep ascents, ridge walking, and high level routes.

(Ascent is total for the walk and not the max.height attained)

These Grades are a general guide only. When considering your choice of walk you should bear in mind the distance of the walk, the regional differences in terrain and the possibility of bad weather making the walk more difficult.

## **FOR YOUR INTEREST IN THIS PROGRAMME.**

New ideas, new venues, new leaders, new walks and new areas, as well as local walks and your favourite walks.

All we need now is - **YOU.**

---

**Linear Walks by Train & Bus** – Start of the Gritstone Trail, continuation of the Rochdale Way and Wayfarer Wanderings and several train walks and bus walks

**Walks with a difference** – A night walk up Helvellyn to see the sunrise and walks focusing on parish paths in Use Your Paths Week

**High Peaks** – Snowdon, the Northern Carneddau, the Eastern Carneddau and Little and Great Whernside

**Garden & Interest Walks** – Walks at Formby to see the Tall Ships, Conwy to see the River Festival and Hest Bank for the Spring Tide

**Pub Lunch Walks** – At Wrinehill, Langley, Barleydam, Aldford and Lower Peover

If you enjoy these ideas and walks, tell the leader, in fact tell everyone. If you don't, then tell me and let me have your ideas. You will see there are fewer Sunday local walks this time. If you enjoy these regularly PLEASE could YOU offer to lead some in the next programme. We desperately need more leaders.

Our web site: **www.nmc-ramblers.org.uk** will always show the most up-to-date information, in case of any changes to the programme.
